Absolutely fantastic book. Having both keys is incredibly useful for those looking to explore, expand range, or teach these standards. I highly recommend. The price is simply unbeatable.

Wow!! The high quality of binding of this book and the two different keys are well worth the price. This is a useful tool for the vocalist and teacher. I highly recommend it, if you're planning to go into teaching and performing!

My daughter loves to sing and has an incredible voice. This book helps her challenge herself to

make beautiful music and learn new songs. We love listening to her.

I was a little concerned that the book would be so thick it wouldn't stay open on the piano, but the binding is such that it does. Great to have both low and high in one volume.

Excellent resource for high school singers for beginning instruction in Italian. Will carry them through first years of college and beyond. A classic!

I love that this has both high and low voices included. My daughter is learning the low voice and I am able to use the high voice.

Get this edition because it has Low Voice and High Voice together!

Great to have two different keys! And it came right on time, Thanks!
