One Direction: What Makes You Beautiful

Synopsis

The United States is experiencing a new British Invasion – One Direction, the British boy band that has captured the hearts and attention of young Americans in a way that can only be compared to the Beatles. With the recent U.S. launch of their new album *Up All Night* and their current North American tour, Niall, Zayn, Liam, Harry, and Louis have taken the United States by storm, and this account details how five solo contestants on Britain's *X Factor* in 2010 came together as a band to finish third on the program. The book provides fans with the answers to questions such as What was the motivation for each of Zayn's four tattoos? What vegetable did the guys receive in the mail from an adoring fan? and What's next for One Direction? Including nearly 100 full-color photographs, it's the inside source for all self-proclaimed "Directioners."

Great service fast shipping and all! the Product was Very in Excellent Store Brand Condition! except that on the Bottom crease, it is pushed up as if it someone were to hit it on the Ground but other

than that very well condition and very good book!

I bought this for a Christmas gift for my granddaughter who will soon be 13. She is a fan of One Direction and loved the book.

My daughter enjoyed reading this book. She laughed a lot while reading it and learned more about each member in the group.

Only get this book if you are a directionater and you want false information. It says that the iCarly episode was called iGot Jungle Worms even though it is called iGo One Direction. It also says that Liam is the one that said he likes girls who eat carrots and Louis is the sensible one. Bad book. If you want a good official book that the boys approve, buy One Direction Dare to Dream: Life as One Direction. I only rated this 2 stars because it has pretty good pictures.

best book ever i really like this book it is staying together and it is great because i love one direction so much

Yes it did have false information. Most of it was true though. It has good pictures and personally I don't think it was a total waste of money.
