Crete Marco Polo Guide (Marco Polo Guides)

Synopsis

Marco Polo Crete: the Travel Guide with Insider Tips Experience all of Crete's attractions with this up-to date and authoritative guide, complete with Insider Tips. Most holidaymakers want to have fun and feel relaxed from the moment they arrive at their holiday destination that's what Marco Polo Guides are all about. You'll discover hotels and restaurants, trendy places to go and the best nightlife. There are also tips for shopping and ideas for travel with kids. Further sections include: Festivals & Events, Travel Tips, Greek phrase book, Links, Blogs, Apps & more, and a comprehensive index. Crete is a world unto itself. Greece's largest island juts out of the sea like one massive mountain range, reaching heights of almost 2,500 m. Everyone can find what they are looking for here: sandy beaches as far as the eye can see, secluded coves, wild gorges, and lots of culture after all the island was home to the first advanced civilization in Europe. With MARCO POLO Crete you can find out where you can go mountain biking, play golf, windsurf, dive, sail and ride. The Insider Tips reveal where you can find peace and quiet in a village free of cars and where to find natural cosmetics made from avocados. Panels in each chapter suggest things to do if you're on a tight budget and where you might pick up some real bargains. The Best Of pages highlight what's currently in vogue in Crete, recommend things to do for free, and have tips for rainy days and where you can relax and unwind. The Trips & Tours include a hike along the length of the spectacular Samariá Gorge and right across the island. Last but not least the Dos and Don'ts point out some of the things you need to be aware of and watch out for when visiting the island. MARCO POLO Crete provides comprehensive coverage of all parts of the island. To help you find your way around there's the detailed Road Atlas, a useful map of Crete on the inside cover, plus the pull-out map. A must-have for all travellers, including those who haven't bought a travel guide in the past.

Wanderlust Magazine: You've got to applaud Marco Polo's chutzpah to launch 30 new city/island guidebooks into an already pretty crowded market. Aiming to occupy the middle ground between the context-heavy luggage fillers and the context-free thinner volumes, the main USPs of these user-friendly guides are the plentiful Insider tips dotted around each edition, the maps they're packaged with, and the pocket cheering price (GBP5.99 each). Complete with near-magazine style features, they're certainly a less intimidating proposition than some of the big wedges on offer.
