The St. Paul Conspiracy: A Compelling Crime Thriller (Mac McRyan Mystery Series Book)

Synopsis

THE CRIME SERIES WITH OVER 1.5 MILLION DOWNLOADS New York Times & USA Today Bestselling Mystery Series** New release - NEXT GIRL ON THE LIST - a serial killer thriller **Claire Daniels was stunningly attractive... blonde hair, blue eyes and a curvaceous body she worked on relentlessly. Claire was the desire of every man in town. As the Twin Cities' most prominent political and investigative reporter she reported the news...now she was the news. Murder... Greed... Treason...Thirty-two-year-old, fourth-generation St. Paul Homicide Detective "Mac" McRyan thought his day was going to be less stressful. The day would involve paper work, coffee, and maybe even an early trip to the pub. Then his cell phone rings... A body has been found in a high-end condominium between Summit and Grand Avenues; and it's not just anyone. With the Daniels brutal murder on top of the latest serial killer attack, the political and media pressure on the police department only builds and places Mac in the middle of a dangerous and high-stakes murder investigation that will ultimately have national political and security implications.

Vince Flynn described New York Times and USA Today bestselling author Roger Stelljes as "A powerful new thriller voice." Fans mysteries, thrillers and suspense will enjoy this fast-moving story of murder, greed, and treason, the cast of colorful characters, and its setting in and around historic St. Paul, Minnesota. Merit Award Winner Commercial Fiction - MIPA Book Awards and a MN Book Awards Nominee.

What people are saying about books in the McRyan Mystery Series:

“Wow!! Just wow! This has to be the best McRyan book I've read”
“I really enjoyed the twist and turns this book had to offer.”
“This book takes the reader on one wild ride, with the suspense not letting up until the very end. Mac is one part Lucas Davenport and one part Mitch Rapp - and it just does not get any better than that!”
“Sex, power, money, and murder keep you wanting to keep reading until you finish it and then wishing there were still more to read! Great story with all the elements of a fantastic read.”
“Two thumbs up, way up for this one!”
“Five stars and then

some.Ã¢â¬Â“Couldn’t put it down! Everything else I had to do just sat until I finished this book. Compelling, thrilling, good tale, all ends wrapped up, with a thoughtful ending.Ã¢â¬Â“Roger Stelljes is exceptional. His plots twist, turn and keep you glued to the book. Minnesota has produced two mystery writers of extreme talent, Vince Flynn and Roger Stelljes. Keep ’em coming Roger!Ã¢â¬Â“Another Mac McRyan excellent read!!! I wish Mr. Stelljes could write faster because I love his books and can’t wait till the next one. He never disappoints.Ã¢â¬Â“A thriller that drew me right in. A well written story - and you just have to like Mac!! I’ll read more of Mr. StelljesÃ¢â¬Â“ books. Loved this one!!!Ã¢â¬Â“

Customer Reviews

Stelljes has it going on. Great plots with plenty of twists, plenty of action, and very well developed, believable characters. His whole series is absolutely worth your money, so Roger? Please write more!!’m giving four stars because,As a retired cop, the malaprop language regarding firearms drives me nuts. I can tell Stelljes has had good advice in writing these, so why doesn’t somebody tell him that almost no modern firearms, and certainly not anything made by Sig Sauer or Glock,

uses a clip - Its a bloody magazine, and not calling that screams that the author doesn't know what they're talking about. Same goes for "bullets" - a bullet is the projectile, it's part of a round, which includes brass, primer, and powder. You don't load bullets in a clip - See above...Finally, as a lifelong hockey player and blue collar guy from a small town up north, I wish he'd left the getting rich and jumping into the big time out of the series, but that's just me.

Excellent mystery novel that turned into a "can't put it down" book. I effortlessly read this on my iPhone and Viewsonic gTablet using Kindle software. Sometimes with a questionable element of luck McRyan predictably succeeds in early chapters of the book. However, the mystery remains and turns to a strong need to get to the next chapter to find out what happens. In hindsight the early successes are key to character development and moving the story to more important elements. Well written and free from error this book should not be considered a local novel. Instead Stelljes has used St. Paul as an excellent backdrop and refreshing change from the status quo of Chicago or New York. The Minnesota landscape provides a perfect setting between rural and metropolitan scenes and managing a timeline tied to the seasons. On your Kindle you can't go wrong. In print this is a great read and a book you would want to pass to a friend when done.

I initially bought "Fatally Bound", and then when I learned that it was the fifth instalment in the series, I put it down and went back to the chronological beginning, which brought me to "The St. Paul Conspiracy." I must say (and I know many thriller readers will know what I mean) that it is difficult to imagine a major crime problem in the Twin Cities that does not get solved by Lucas Davenport. The introduction of this new hero in that region is going to be fun. The story told in this novel moved quickly, and the writing was great in that you could feel the frustration in the cops' minds before they got their big break. I will read the others in the series in quick succession, I enjoyed it so much.

This is Roger Stelljes second book I believe, (at least with the main character Mac McRyan in it,) and I'm thrilled to say that I feel as if I have discovered a new author to follow. I really like his style of writing, it seems to me that his main character Mac is almost almost a little (noir-ish ? if you get my gist.) Even though he seems to love John SANDFORD novels and lives nearby there. Anyway, it seems that there is no stopping Mr Stelljes once he gets started! Excellent read!

ÃfÂ Ã ÅÃ ÆœÃ â ¬. P.s Love John SANDFORD!!!

I did a lot of fast reading in the beginning. Bored with too much details, what I felt were not that interesting. But I did get caught up in the plot. Almost tossed book aside. About half way through I got interested. Would be nice to have a great police person like Mac in every city in the world! I was so upset with one part of this book that I got angry every time I came across it. Whoever edited this book should be looked at and asked why so much disrespect to the author and the reader. Because it was done so many times in this book and not anything to correct it. I guess whoever edited thought they were being cute!!!? But Riley was misspelled repeatedly as Riles throughout most of the book. Because it was continued throughout the book just ticked me off. I might read another, since book/story wasn't too too bad. Not really sure.

I liked that it was fast moving and the plot was twisted several ways. You really weren't absolutely sure of all the people involved until the end. I would definitely buy any of his books again and I will be looking for them. I felt it was current enough for being an older book and I highly recommend it to crime readers as well as suspense. It has a little of everything in this book. I'm sure everyone would like it!

I've now read all of Roger Stelljes' books. This was a great, intense story. There was so much depth, intrigue, mystery not to mention colorful characters. It was almost a story within a story. How it all came together was brilliant. His stories are so descriptive and interesting. You keep reading forgetting about time or anything else. Can't wait for the next book!!!!.

Roger Stelljes writes a good crime story in the genre of most crime stories. There is a very good looking hero, beautiful women, evil villains and goodies win in the end - oh sorry, I have given you the punch line! But don't the goodies always beat the baddies? Anyway, if you want to relax with a good book, the author knows how to please. I would have liked a little more in depth variety, even though he does write well and his descriptions of people, places, the weather etc., are very good. The setting is a little different from the normal crime locale but for those who don't know that area of the world, it is very interesting. I wouldn't say it was the best crime novel I have ever read but it does fit the bill!
