## Customer Reviews

Scott Reall's passion for helping people break free from life controlling issues began while serving as Senior Wellness Director for the Green Hills YMCA in Nashville, TN. Though his primary role was consultation with members regarding their fitness goals, he recognized other personal challenges including depression, loneliness, substance abuse, eating disorders, and codependency. In 1994, Scott began facilitating a recovery group at the Green Hills YMCA similar to the Twelve Step recovery group of ALCOHOLICS ANONYMOUS(R). Six years and hundreds of participants later, Scott collaborated with the Middle Tennessee YMCA system to expand the Twelve Step groups into other YMCAs and out of this partnership emerged Restore Ministries. Scott and his wife are the

parents of three grown children.

This writer points out that we, in our society, are not taught how to deal with loss, whatever the loss may be, lover, job, baseball career, pet, family or friend to death... We are taught to win, go for the goal, get on top and somehow expect to actually stay there, how silly! It is not a 'wordy' book but one simply written of substance helping me to see that there is a path to follow and what stops to make along the way. It was a fast and easy good read.

Great review and read!
