# My Sweet Mexico: Recipes For Authentic Pastries, Breads, Candies, Beverages, And Frozen Treats

## Synopsis

After years spent traveling and sampling sweets throughout her native Mexico, celebrated pastry chef Fany Gerson shares the secrets behind her beloved homeland's signature desserts in this highly personal and authoritative cookbook. Skillfully weaving together the rich histories that inform the country's diverse culinary traditions, *My Sweet Mexico* is a delicious journey into the soul of the cuisine. From yeasted breads that scent the air with cinnamon, anise, sugar, fruit, and honey, to pushcarts that brighten plazas with paletas and ice creams made from watermelon, mango, and avocado, Mexican confections are like no other. Stalwarts like Churros, Amaranth Alegrías, and Garibaldis—a type of buttery muffin with apricot jam and sprinkles—as well as Passion Fruit Mezcal Trifle and Cheesecake with Tamarind Sauce demonstrate the layering of flavors unique to the world of dulces. In her typical warm and enthusiastic style, Gerson explains the significance of indigenous ingredients such as sweet maguey plants, mesquite, honeys, fruits, and cacao, and the happy results that occur when combined with Spanish troves of cinnamon, wheat, fresh cow's milk, nuts, and sugar cane. In chapters devoted to breads and pastries, candies and confections, frozen treats, beverages, and contemporary desserts, Fany places cherished recipes in context and stays true to the roots that shaped each treat, while ensuring they'll yield successful results in your kitchen. With its blend of beloved standards from across Mexico and inventive, flavor-forward new twists, *My Sweet Mexico* is the only guide you need to explore the delightful universe of Mexican treats.

## Customer Reviews

Starred Review. Rare is the cookbook that successfully infuses scholarly research with the pure joy of food, but this collection, focusing on the sweets of Mexico, nails it. Gerson, a pastry chef (Eleven Madison Park; Rosa Mexicano) has dutifully catalogued the confections of her native Mexico--many of which are endangered species in the age of industrialized food. The introduction and individual chapter essays trace sweets to their ethnic origins, detailing how sugar production, holiday symbolism, and technology have impacted their evolution. Indeed, an entire chapter is devoted to the specific sweets--pumpkinseed candy, chestnut flan, and, ironically enough, wedding cookies--traditionally made in convents. American readers who have only encountered the occasional tres leches cake in a Mexican restaurant will be stunned by the breadth and depth of recipes here, ranging from coffee-flavored corn cookies to guava caramel pecan rolls and hibiscus ice pops, all culled from Gerson's family, friends, and generous strangers. Gerson showcases the rainbow of fruits (soursop, arrayan, zapote) and special equipment that are indigenous to the country, offering guides to working with fresh coconut, making spiced chocolate tablets, and wrapping marzapanes. Gerson's vivid descriptions, exacting instruction, and obvious passion for her subject matter make this volume a substantial read about the most tempting indulgences. Photos.

• This book will appeal to anyone who's got even a kissin' cousin's-worth of Mexican heritage as well as adventurous cooks and cookbook readers everywhere. • "KitchenGadgetGals.com, 2010 Cookbook Favorites" • For lovers of Mexican cooking, this is an essential cookbook. • "Library Journal STARRED Review, December 2010" • a sweet surprise • "Everyday Food, Favorite New Cookbooks, December 2010" • When this book came across my desk I got really excited. This book really brings to life the sense that dessert plays such a role in celebrations, and the Mexican culture has so many festivals where sweets appear. With no dustjacket and matte-finish pages, it feels like a book ready to be smeared with butter and splattered with sugar. • "TheKitchn.com, Favorite Baking Books of 2010, 12/16/10" • Pastry chef Fany Gerson opens up a world of Mexican pastries, candies and desserts in her cookbook "My Sweet Mexico." Born and raised in Mexico, she traveled her native country for recipes and lore and combined them with her own take on sweets in a book that both inspires you to read chapter by chapter while curled up on the sofa and to get into the kitchen to start rolling dough for huachibolas, cream cheese morning rolls. • "L.A. Times, 12/9/10" • This holiday season, I plan to make some of these sweets, connect with this history, and do my bit to keep the culture alive. • "TheAtlantic.com Food Channel, 12/8/10" • Like many of you, perhaps, we haven't given Mexican desserts a lot of thought. Sure there's Flan and

quite a few delicious ice creams to be had in Mexico, but thereâ™s also a lot of brightly-colored pastries that are more decorative than delectable. But looking through the photographs in this truly stunning cookbook might win a few converts. . . Iâ™m happy to have this book in my collection if only to dream of sweet treatsâ and future trips to one of my favorite places, Mexico.â •â "DavidLebovitz.com, Favorite Cookbooks of 2010, 12/6/10"Never go hungry for churros again. Fany Gersonâ™s My Sweet Mexico has easy recipes for all your fave south-of-the-border treats (tres leches, flan), as well as more creative dishes (spicy mango popsicles, coconut caramel candy).â "DailyCandy, The Best New Fall Cookbooks, 11/12/10â œGerson puts Mexican desserts on the map in this excellent mash-up of scholarly research and the pure joy of food. The breadth and depth of recipes here is stunning.â •â "Publishers Weekly, The Best Cookbooks of 2010: WinnerÂ of Best Alternative to Sipping a Margarita,Â 11/8/10â œA definitive compendium of the sweet dishes of our neighbor to the southâ "never before collected in an English-language book.â •â "Austin Chronicle, 10/29/10"A deliciously well-researched journey through the sweet side of Mexico."â "Fine Cooking, 10/22/10 â œDessert fiends will find the variety and exoticism of the recipes thrilling. And the many earthy and evocative photographs shot on location -- think Saveur magazine -- deserve a lot of the credit.â •â "Portland Oregonian, 9/28/10â œEven if you don't fix one of these recipes, the book is so filled with the tastes, traditions and fragrances of Mexico that the reading journey alone is worth it.â •â "Los Angeles Daily News, 9/21/10â œA seductive journey. . . This book will open up whole new worlds of delicious.â •â "The Christian Science Monitor, 9/16/10"My Sweet Mexico is gorgeous and beautifully photographed. . . . Aside from the recipes that caught my attention, this is a lovely book. Mexican desserts and sweets arenâ™t as popular as their other courses, but this book has recipes for things like Chocolate Milk Fudge, Corn Ice Cream, Burnt Custard, and even Calabaza en Tacha, whole candied pumpkin, that might change your mind."â "DavidLebovitz.com, 9/12/10 â œA playful, beautifully photographed book on the history and diversity of Mexican sweet treats.â •â "Austin American-Statesman, 9/8/10â œWarning: Donâ™t read when hungry. Pastry Chef Fany Gerson creates a food-based travelogue of Mexico, incorporating memories, histories, and, of course, recipes of her native country.â •â "Westchester Magazine, September 2010"Rare is the cookbook that successfully infuses scholarly research with the pure joy of food, but this collection, focusing on the sweets of Mexico, nails it. Gerson, a pastry chef (Eleven Madison Park; Rosa Mexicano) has dutifully catalogued the confections of her native Mexico--many of which are endangered species in the age of industrialized food. Gerson's vivid descriptions, exacting instruction, and obvious passion for her subject matter make this volume a substantial read about the most tempting indulgences. Photos. (Oct.)"â "Publishers Weekly, Starred Review, 6/21/10 â œMexicoâ ™s sweet kitchen is a wellspring of captivating tastes and seductive textures; it courses through Fany Gersonâ ™s veins like caramely cajeta, like a rich flan, or a silky hot chocolate. As a Mexico City native, Fany is confident that thereâ ™s sweet satisfaction beyond apple pie and hot fudge sundaes, as she shares snapshots of kitchen culture and history along with a remarkable compendium of recipes. Melt-in-your-mouth polvorÃ n cookies from eighteenth-century convents; pumpkin seed brittles, fresh coconut patties, and sweet tamales from the street vendors; tres leches cake and the crazy fused flan-and-chocolate cake from Mexicoâ ™s modern kitchensâ "those are just a few of my favorites. This is a treasured volume lâ ™ll own two copies of: one for home, another for our restaurantâ ™s kitchens.â •Â â "RICK BAYLESS, best-selling cookbook author, chef-owner of Chicagoâ ™s Frontera Grill, and host of public televisionâ ™s Mexico: One Plate at a TimeÂ â œMy Sweet Mexico is fascinating and charmingâ "it is much more than a collection of great recipes. Fany takes readers on a voyage through our countryâ ™s marvels and realities, capturing all of its fabulous grandeur with her clever sense of humor. I actually got teary-eyed as Fanyâ ™s words carried me on a sweet trip back to my childhood, full of heartwarming memories. I love this amazing cookbook; it is an enormous addition to the archives of Mexican cooking!â •â "ROBERTO SANTIBAÃ EZ, author of Rosaâ ™s New Mexican TableÂ Â â œFanyâ ™s irresistible take on Mexican sweets is as smart and instructive as it is inspiring. Recipe after recipeâ "from traditional BuÃ elos to an updated Chocolate Rum Tres Leches Cakeâ "lâ ™m reminded why sheâ ™s one of the most gifted pastry chefs around.â •â "SCOTT JONES, executive food editor, Southern Living

On the one hand, I love this book and have already made several recipes from it! And they taste fantastic! On the other hand, I wish every recipe had a picture, simply because I have no idea what the final product is supposed to look like-- I've never even heard of a lot of these recipes. Also,

some of the steps, I wish there was more detail-- I've ended up doing more guesswork than I'd like. All in all, a welcome addition to my recipe book collection!UPDATE: I've made several more recipes-- often the batters are very crumbly and difficult to work with. I typically have to add a lot more fat to my doughs just so they'll hold together. And the portions sizes, cook times, and mix times are always different. So, I'm changing from a 4 star to a 3. It's been aggravating doing all this guesswork with foods I'm unfamiliar with.Another UPDATE: Even the finished product will often crumble beyond being able to eat. I'm not keeping this cookbook anymore-- I get too angry every time I make something.

My love affair with Mexican food arrived one day in 1952 when my mother received a "care package" from friends in the Southwest stuffed full of "Mexican" food. I suspect I've never had a worse tamale, but those canned tamales sparked a life-long pursuit of the the "best" in tacos and tamales and salsas by the dozens. And of course, I've been collecting Mexican cookbooks ever since - a fairly substantial chunk of the ethnic section of my collection (over 400 but I've lost count!). You don't have to spend much time in Mexico or have many Mexican friends to realize that sweets are a huge part of Mexican culture - and you don't have to visit many "Mexican" restaurants here in the US or read through many Mexican cookbooks to realize that there simply must be more than fried ice cream, churros, and a couple of cookie recipes. With *My Sweet Mexico: Recipes for Authentic Pastries, Breads, Candies, Beverages, and Frozen Treats*, Fany Gerson fills a huge void, both on my library shelves and in my kitchen. My only problem? What to make first. . . . tamales? or maybe that sweet potato candy? Milk fudge? Something frozen? HMMMMM . . . Beautiful book, highly recommended. This is a book you will treasure for a long time.

I love the book. It is better than I expected. I have done only the Mexican churros recipe and all my family wanted more. They even licked their fingers. I like how the writer present each recipe. I will need to make time and do all the other goodies listen in this book.

I bought the book awhile back and lent it to a co-worker of mine, a big mistake on my part. Now I will definitely reorder the book again and this time it will not leave my sight.

I really enjoyed the writing style and how she wrote funny and amazing stories from these delicacies. It is great to find a book that has historical research with some adapted of these treats. So far I have read this book many times and have tried few recipes like the besos, churros, and the

white concha. I had to give these treats that I made to my co-workers or friends. I had few of them said it tasted when they were in Mexico. Although some of the ingredients are hard to find like the guava paste and the rice wafers used for baking and candy making. There are some recipes that needed some proof reading. I suggest read it first before you dive in.

This book is a fantastically crafted recipe guide. The feel of the paper is wonderful and the images of Mexican bakeries, eateries, etc. are fantastic. There is a wide selection of different foods to pick from--drinks, breads, popsicles, cookies, cakes, etc. I certainly recommend this book for anyone curious about the sweeter side of Mexico's cuisine or someone who just wants a great book with some wonderful pictures and stories.

My mother's family lives in Mexico City, and I have visited many times over the years. One thing that is always memorable to me are the candies made at the Celaya shop downtown Mexico City. They have several shops around the city, but none have the charm of the original one downtown. The book is wonderful as it shares so many great recipes and pictures of these sweet confections. Yes, the price may seem a little high, but it is so worth once you skim the pages and see such wonderful things inside this book.

This cookbook is extensive, beautifully written and photographed, and authentic. I really appreciate the author's knowledge of the subject and the background she gives to each recipe, as well as the extensive explanations of exotic or unusual ingredients or preparations. I also appreciate that the author includes recipes that range from simplified to complex. This cookbook is a real treasure of Mexican cooking. I am very pleased to add it to my cookbook library.
