Islamic Hadith

Synopsis

Hadith is the collection of the Prophet Muhammadâ™s statements and actions coupled with the statements and actions of his companions. Hadith is believed to have been collected beginning 150 years after Muhammadâ™s death in 632 C.E. and it is the basis of jurisprudence for Islamic law, or Sharia law. To begin to understand Islam, one must understand what parts make up hadith, how hadith is classified, and how hadith is legitimized to mold Sharia.

Customer Reviews

It's a pretty good translation of sayings of Prophet Mohammad (PBUH). It's also very well organized and it's is easy to locate different Ahadith.

Good service, and my items arrived on time. Will be purchasing from them again in the future.

A good read.

Thanks

It is an eye opener.

Great collection and well laid out

Astounding! This is still being followed today

Very authoritative, easy to follow, and the author does a great job at presenting the subject in great detail for the novice learner.
