Fast Friends

Synopsis

Fast Friends tells the story of two men who accidentally find refuge, in each other's strong arms, from both a winter storm and the cruel lovers who don't cherish them. Without words, Lazarov and Broderick tell a story in graphic novel form that's rich in detail, feeling, and sexual sensitivity.

A very nicely drawn book that is very sexually explicit , although I had a hard time following the story (there are no captions) the first time through. However, it made sense after a few more viewings.

No text but art/ pictures bring the lives of 4 men into a clear and beautiful story

A great collection of sweet gay friends. True to life types.

Wonderful graphic novel. Good story and extremely well done.

Exactly what I was looking for.

Still one of my top faves Thanks to an excellent story told entirely through beautiful and expressive art.
