Coloring Book For Teens Or Adults: Stress Relief & Relaxation (Marker Friendly)

Synopsis

Relax or relieve some stress with these unique coloring book designs by Jenny Pearson. This book was hand-drawn for teens or adults by an artist who herself enjoys adult coloring books. This coloring book is marker friendly (the back side of each page is blank, yet there are over 50 pages to color). Colored pencils work well, too.

Very pleased

So relaxing and enjoyable!

My Autistic daughter will spend hours coloring and she especially loves her new coloring book. She's 16 years old.

This is a beautiful coloring book, full of flowers and animals in very intricate designs. You won't regret it!

Perfect for my teenage granddaughter!

Beautiful images. Well received by gift recipient.

It has nice pictures. Pictures on one side only. However don't tear out of book easily.

Great product
