Customer Reviews

#BeUnstoppable with TuckerÂ¢Â™s Macroeconomics for Today [View larger](#)

[View larger](#) [View larger](#) Causation chain game helps with economic relationships.

Causation chains, included under many graphs, help you visualize complex economic relationships using simple box diagrams that illustrate how one change causes another change. Analyze The Issue feature tests understanding of principles. These features follow each 'You're the Economist' or 'Global Economics' insert, and are designed to check your understanding of how the content specifically relates to practical economic concepts.

Checkpoints gauge your progress. 'Checkpoints' spark your interest while checking your progress using economics puzzles in a game-like style. Answers are at the end of the chapter.

Chapter summaries for exam prep. Each chapter ends with a brief point-by-point summary of the key concepts. Many of these summarized points include mini versions of the important graphs and causation chains that illustrate key concepts.

[Everything in One Place with MindTap](#) [View larger](#) [View larger](#) [View larger](#)

[View larger](#) Tap into engagement. MindTap empowers you to produce your best workÂ“consistently. Automatic grading and immediate step-by-step feedback helps you master content the right way the first time.

"MindTap's greatest strengths are the progress tracking and the ability to add [your own] materials that are gradable. " "I'm convinced that the higher course ratings and grades were, in large part, a result of students' engagement. It was an unmitigated success. " "Almost across the board, students using MindTap improved on the main learning objectives of the class ... I've never seen any results like this. " "MindTap was very useful - it was easy to follow and everything was right there. " "I'm definitely more engaged because of MindTap."

Dr. Irvin B. Tucker has more than 30 years of experience teaching introductory economics at the

University of North Carolina Charlotte. He earned his BS in economics at North Carolina State University and his MA and PhD in economics from the University of South Carolina. He is a long-time member of the National Council on Economic Education. Dr. Tucker has served as executive director of the S.C. Council of Education and director of the Center for Economic Education at the University of North Carolina at Charlotte. He is recognized for his ability to relate basic principles to economic issues and public policy. His work has received national recognition with awards from the Meritorious Levy Award for Excellence in Private Enterprise Education, the Federation of Independent Business Award for Postsecondary Educator of the Year in Entrepreneurship and Economic Education, and the Freedom Foundation's George Washington Medal for Excellence in Economic Education. In addition, Dr. Tucker's research has been published in numerous professional journal articles on a wide range of topics, including industrial organization, entrepreneurship, and economics of education. Dr. Tucker is also the author of the highly successful SURVEY OF ECONOMICS, 9E and ECONOMICS AND FINANCE.

The book is in good condition.

Good start on economics, informative. A++
