Borrow Free Audiobooks For Kindle And Fire: How To Download Free MP3 Audio Books From Public Libraries Through OverDrive

Synopsis

The vast majority of public libraries in the U.S. will loan patrons audiobooks that you can download to your Kindle or Fire over the Internet. You will need a library card from your local library to borrow audiobooks through OverDrive, which is the electronic lending agent for over 11,000 public libraries in the U.S.. If you arenÃ¢â ¬â„¢t sure that audiobook lending through OverDrive is supported by your library, give the local branch a call and ask.We illustrate the borrowing and download process in this eBook with dozens of illustrations that you can follow along with while installing the required PC software or Fire app, depending on which device you own. It's also possible to borrow and listen to audiobook without owning either a Kindle or Fire, though it means listening to the books on your PC or laptop, unless you own a different playback device.This eBook covers both the B&W eInk Kindles and the three generations of Fire tablets. While it may take you a little time to adjust to the OverDrive way of doing things, once you have the method down, youÃ¢â ¬â„¢ll find that borrowing audiobooks from the library is a breeze.

Customer Reviews

very good

Really enjoyed book.

I didn't buy this book - it just showed up on my Overdrive account and I thought it was an freebie tutorial since I'm new to using my Fire tablet I just purchased. Then I see an invoice in my emails.... not happy at all but I know I could spend the next 2-3 hours trying to dispute the charge! ERRRGGGHHHH!! Very deceptive how or why this "order" just appeared on my account...

Very informative book and helpful.

So wonderful to be able to browse at my leisure, without anyone listening to me laugh at some of the things I read.

I think that this was of the very best books I've ever been exposed to about using the borrowing audio books and about using Overdrive and Kindle fire HDX Fire. Thank you so Very much Mr. Rosenthal for your help not only for me but all of us who prefer not to be locked in to not having any other options to choose from as in The Almighty IPad. Kudos to you for taking the time to get all your data together and sharing it Sith us Kindle Fire HDX User's!!!

This is a great program I am happy is part of my Prime membership

So glad to be able to "rent" books from the library this way!This book is a helpful guide in how to do that!
