This was the exact edition that I found so funny when I first read it in 1948. Along the path of years it wandered out of my library, but now it's back! I pounced on it with glee and was not disappointed. It was just as I recalled. Now it occurs to me to look up some of the other work of Mr. Dodge after all these years!

First and best of David Dodge's latin american travel books, very funny.
