KARIN BERNDL, photographer, and NICI HOFER, art director, have worked together on many high-profile advertising campaigns, for brands such as Selfridges, Galleries Lafayette, Fortnum & Mason, Harrods and Georg Jensen jewelry. Their editorial work has also been featured in Tatler and Harper’s Bazaar.

I really enjoyed reading this book! It doesn’t matter if you are a beginner or more advance when making home made products. There is something for everyone in it. I made enough notes and highlights so I can make a quick reference to the material when I need to. Pictures are great as well!

This book is both beautiful and useful. The photographs are lovely and the content is thorough and practical. Just what I wanted in a down-to-earth natural beauty book. Would highly recommend as a gift for self or others!
