AIR CROSSROADS OF THE WORLD: ANCHORAGE, ALASKA

Dubbed the Air Crossroads of the World, Anchorage, Alaska is a big city with a small town feel. Discover the famous tourist stops and hidden treasures. Known as the Air Crossroads of the World, Anchorage is an extremely popular international destination and one of the busiest air freight gateways in the world. Yet the city retains a friendly, small town feel. Anchorage is home to over 1,000 non-domesticated moose, a sharp reminder that the untamed wilderness lies in the city's backyard. In this tour, an experienced Alaska traveler will act as your personal guide as you explore both the famous tourist attractions and the lesser-known delights. Along the way, you will learn tips and tricks for living like a local, saving money, and maximizing your enjoyment.
