Postcards From The Design Museum

Synopsis

The Design Museum is home to the visionaries that shape our lives and create our futures: Terrence Conran, Zaha Hadid, Alvar Aalto, Jonathan Ive, David Chipperfield, Tim Berners-Lee, and Louis Kahn. From the simple wooden chair to the supersonic Concord, the museum spotlights era-defining designs in architecture, fashion, interiors, transport and technology, helping us to better understand the complex relationship between form and purpose. This "museum in a box" contains 100 world-famous designs, including the first Apple computer, chairs by Eames, Norman Foster blueprints and Alec Issigonis' iconic Mini Cooper.
