Excerpts from reviews: My husband says "this is the BEST acrostics book ever"! - Lynda A Novak "So cleverly constructed & educational! Love doing these acrostic puzzles getting a review of US History. I want more!" - Denise Sonnenberg "Excellent puzzles prepared by an author with wide-ranging interests and a good sense of humor." - Gerry "Wonderful way to revisit our nation's history. And great fun as well. Have been doing acrostics for decades, but this lady knows how to make them not just a puzzle, but a fascinating learning experience." - Kenneth Myron Bonnell "The American Acrostic Series, with its theme-based puzzles and very clever clues, delights me with its fresh treatment of the Acrostic form." - Joan I. Cynthia (Cyn) Morris has worked as a writer and editor for 36 years, including 10 years as an award-winning science writer for the University of California, Irvine. She has published 13 books,

and written thousands of news and feature articles on topics ranging from camel farming in the desert to wormholes in outer space. A lifelong cruciverbalist, she has been solving acrostics since she was 8 years old, and constructing them since 2005. In addition to American Acrostics, she is the author of CynAcrostics and AnimaCroستics puzzles. More information about all three series at acrosticsbycyn.com.

These are fun to do and educational. As an acrostic addict since the age of 12, I have done practically every series ever published. So I worried that this book would be too simple. But the author has taken the more advanced puzzler into account and has added an educational component. So by the time you are finished with this, you have a deeper sense of the American History and the philosophy behind it.

We've done double crostics for many years, and we are partial to those done by Thomas Middleton. Cynthia Morris's puzzles are not quite as challenging or as well-constructed as his, but they are close enough. Puzzles are neither too easy nor too hard, and we finish them on average maybe a few minutes faster than Middleton's. The themed puzzles are a nice change, and the quotes are well selected. We would (and will) buy more of her puzzles eventually.

My husband says "this is the BEST acrostics book ever"! I will most likely purchase the next two in the series...Ms. Morris did a fantastic job in preparing these booklets!

A little repetitive, but it was useful to take on long flights from the East Coast of the US to NZ.

This is my first time using Ms. Morris' puzzles. They are very enjoyable; hard enough to make you work but not so hard that you need to be a Jeopardy finalist to solve. Good job, Ms. Morris, maybe you could create cryptograms also. I'll be trying more volumes.

Great service. God bless American Acrostics.

I love acrostics and these are both entertaining and present just enough challenge to keep me puzzling -- a good choice for the enthusiast.

The puzzles were of just the right difficulty and, once completed, each contained an interesting bit

of Americann history."
