The DEL-Dog Lover's Companion To Florida: The Inside Scoop On Where To Take Your Dog (Dog Lover's Companion Guides)

Synopsis

Offering the inside scoop on where dogs are welcome, the Dog Lover's Companion to Florida is perfect for travelers who can't bear the thought of leaving Fido behind. This special breed of guidebook reveals the dog-friendliest hotels, restaurants, parks, beaches, shops, and attractions in Florida. "Indispensable to dog owners, lovers, or indulgent onlookers, and vastly entertaining as well." -- Sierra Club

Customer Reviews

A handy guide for dog owners traveling in Florida. The disappointment is that there are not many off leash parks for our canine family members in Florida. I don't think this is the fault of the author rather that of the communities listed.

This is a great guide for anyone living or vacationing with their furkids in the Sunshine State. That Florida sun is hot, even in winter! No doggies left in cars, please! Breaking the state into convenient sections, the authors (who very much love their furkid!) give us restaurants, parks and beaches where we or our furkids don't have to worry about acceptance. Very readable and practical. I hope that the authors have updated this since the copy I have has a 2001 copyright.

This book is a great resource for those who want to see Florida and still bring along their best friend. A lot of the book is lists of restaurants and hotels that take dogs, but it also has many tips on local

dog parks, state parks, and other Florida attractions that are accepting of four legged patrons. We've already found some local attractions to visit with our dog that we would have never found without this book. (At least it would have taken us much longer to find them!) I have really enjoyed this guide. My only advice to others looking to buy this book is that they should know the book mainly references outdoor attractions (parks, beaches, and recreation areas).

I use this all the time and it's really helpful when looking for fido friendly places to take my 2 Shih Tzu here in Florida!

This book is right on the money. We stayed in the Clearwater Beach area while vacationing in Florida, and used this book to find a place to stay at Clearwater Beach that is dog friendly. Also, the book listed dog beaches and dog friendly cafes. The dog beaches were so much fun for both us and the dog. The book also gave some great tips about taking dogs in Florida, like alligators and salt water, which us Northerners didn't really think about. A great book, would recommend it to anyone traveling to Florida.

I have enjoyed having this book. It has been helpful finding dog-friendly places for me. It will probably be more useful in future travels, as this trip was a test run for my puppy, to see how well he traveled. I do wish, however, that the section on the Daytona Beach area was a little larger, as this is where our vacation home is. The areas on Tampa and Orlando, other areas we visited, were much more extensive.

great for dog lovers

Great, detailed reviews of all kinds of places statewide to spend a day with your best friends. Described are city, state and national parks, motels, camp grounds and even the huge tourist attractions such as Disney. Like other good travel books, the state is divided into sections for easy reference. I've used this book for almost ten years now and just bought this newer edition. My old copy was getting "dog-eared."
