Myron J. Levin, MD (Denver, CO) is a professor of pediatrics at the University of Colorado School of Medicine and Children's Hospital Colorado specializing in infectious diseases. Robin R. Deterding, MD (Denver, CO) is a professor of pediatrics at the University of Colorado School of Medicine and Children's Hospital Colorado specializing in pulmonary medicine. Mark J. Abzug, MD (Denver, CO) is a professor of pediatrics at the University of Colorado School of Medicine and Children's Hospital Colorado specializing in infectious diseases.

More info than 22nd edition.

When a topic is selected from the book index and the associated page link is selected, it often leads to the wrong topic. Unacceptable in a medical quick-reference book.

I have used this book previously and the current addition has not disappointed. Good price. Fast shipment.

The book is very detailed and compact; however, it could use better organization, indexing, and flow. I find it hard to locate specific topics as many are not indexed.

EXCELLENT!

arrived on time and is as expected

Very good

Great book AND CERTAINLY A great investment
