Customer Reviews

This reasonably priced collection features some of the best pinup art of the 20th century. There is a plethora of paintings by the great Gil Elvgren and the legendary Alberto Vargas. Not to mention several uncredited naughty color sketches for girly magazines. Wish I could provide more information on the credits. Perhaps I'll do some research and revise this review. In the meantime, just enjoy these classics. The only modern artists who come even close to this quality are Olivia and possibly Jim Silke.
