## Customer Reviews

Very nice pictures for my daughter to color. It is difficult to find coloring books that are not tv/disney characters or filled with only "girly" things like princesses etc. This was perfect!

A very cute book. Like the camping book in this series this one also is a story plus coloring book. My grand daughter loves it!

I bought this for our kids to color on the way to the beach. It's cute.

This is a true coloring book... each page leads to another. Gave this to my child's teacher that loved the beach.

Very nice for young children before, during or after a beach trip!

I love the beach!

Cute!

As described, quick ship, thank you.
