I love these books. I'm constantly looking for interesting nonfiction texts for my classroom. These

are perfect for my third graders and they can not get enough of them. Kids are constantly coming up to me and telling me new facts that they have learned from the books in this series. Great for science, reading, social studies, history, vocabulary, etc. Highly recommended!

This book was very useful for my 1st grader's president report. It was easy for him to read and understand, and had all the information necessary for his report. Seemed to be very appropriate for 1-3 grade reading and information level.

Very informative biography on Obama's life.

Great! It's about President Obama, what's not to like. It is written where a young child can understand, and very motivational for a young black boy.

Well written and fun for students to read as supplemental materials.

This book has become a favorite for both my third grader and my kindergartner!

Will always cherish the book about our first Black President.

Great Read This Book Show My Son He Can Be Anything He Wants To Be In Life And He Chose To Be President Barack Obama For His Book Parade
