The editors of Merriam-Webster have been creating dictionaries and other language reference works to the highest standards of quality and reliability since 1847.

I like the size & binding of this book. I have an older dictionary which is heavier and the binding has broken down over time. I believe this one will hold up & is updated as well.

Big, big book. Look up a word and the dictionary gives you several other 'words'. These words are in order of how many letters, two, then three, then four, etc. Been helpful with those words I have never seen before.

This is the handiest crossword dictionary that I have ever used. I bought this one as a birthday gift for another crossword loving friend.

I've used this new Webster's Crossword Puzzle Dictionary for some time now. It states on the cover that it is based on actual crossword puzzle clues. I think they skipped the NY Times. It's run of the mill. Star Trek and Star Wars have a 3-4 inch column each but try finding something about Hammurabi. I don't recall now what word I was looking for but it said look under "....." however, "....." was not in the dictionary. Also, for it's heft a thumb index would have been helpful. Arranging the answers to clues by the number of letters in each word is a nice touch though. I guess the dictionary is better than nothing but I am disappointed.

I purchased the Webster New Explorer Crossword Puzzle Dictionary as a birthday present for my 90 year old mother... She does the daily crossword puzzles in the local paper and she sings praises about her new Dictionary... The dictionary gives numerous options and covers all the bases...

I honestly didn't look at the product dimensions when reviewing the product info, but it's larger than expected. Excellent hard-bound quality. Our paperback crossword dictionaries kept tearing apart through the years and this one should last MUCH longer.

The book was shipped timely and in great condition and have been able to use and enjoy almost everyday. This book has been very helpful in my crossword struggles. Thank you!

We love it! Excellent choice! We have tried other dictionaries in the past but have been disappointed. Our last Webster's was an 89 edition. We got some great mileage out of it. We plan to do the same with this one!
