The Wedding Dress: Christian Contemporary Romance: Christmas Bride

Synopsis

When Chloe believes the only reason she's still single is because she hasn't found her perfect wedding dress yet, she's just desperate enough to sit on a department store Santa's lap and ask him for it for Christmas. After he gives her a set of instructions to follow in order to not only snag her perfect dress, but get the groom of her dreams too, her life suddenly seems to be just a little too good to be true. Is it all because of Christmas magic, or is there more to the Christmas season?

Customer Reviews

I absolutely adore love stories especially when involving the Thanksgiving and Christmas seasons. The story was well-written, the characters were well-developed and very believable. Since love rarely falls into place like this in real life, i do enjoy good books where everything comes together for the characters in the story!!! I have read many books by this author and she never disappoints me.

Ending brought happy tears to my eyes. Beautiful romantic story of love, faith and family bonds.

Don't miss out on this most tender love story! Be ready to read the entire book at once.

I really liked this story. It is a good clean tale about the magic of Christmas - especially when you remember the reason for the season.

What a fun story that was created in such a tisted, make you smile kind of way. Will love find it's way to the surface?

Falling in love after a few days of taking to eachother and then married 2 weeks later is a bit much. I'm not sure i would recommend this to anyone. For me the length and unrealistic plot wasnt worth it.

Enjoyed the Christian values and how faith was established in so many different ways. .

A very sweet and adorable story. Had fun reading it!

What a Lovely Story. Very Refreshing.
