Nice idea, but extremely blank. You're going to need nice hand writing, a nice pen, good vocabulary, & coloring pencils to make this gift pop !

I love the book. It was fun trying to come up with words. I bought this for my friend that lives in another state. My entire family was coming up with words. I wanted words that were a little different. We were all on our phones looking up words. It makes you think of your friendship and what words you really want to use to describe your friend. And my friend loved it. Wish they made a book on why you don't like someone..... I could come up with a lot of not so nice words.

Bought this for my best friend's birthday and colored/filled it all out - she LOVED it! Definitely recommend if you're looking for a last minute thoughtful gift :)

Such a cute little book, it was fun to fill it all out and give it to my best friend. She loved it.

Special gifts are hard to find. This is a very special gift to give to a very special person in your life. I had so much fun filling this out because it made me really truly think about what makes her special to me.

I am extremely disappointed with my purchase. It's so cheap looking, I ended up throwing it away versus giving it to my best friend who deserves better quality than this!

I thought this would be a nice gift idea for my best friend. It would be a good idea for a five-year old. The book is flimsy and the quality is poor.

Have not filled this out yet but it is a cute book that I am sure my bestie will appreciate when she gets it from me.
