PreS-Gr 2Ã¢â ¬â •When a motherly Sparrow sees a discarded Robot, a friendship begins. In the spring, Sparrow teaches Robot how to have fun outside. In the summer, she shows him how to be curious (but safe). And before she has to fly south in the fall, she teaches him how to live without her. The warm illustrations capture the beauty of the changing seasons, during the day and the night, and the power of friendship. At the end of the tale, Robot is seen doing two things he thought impossibleÃ¢â ¬â •dreaming and flyingÃ¢â ¬â •all made possible because of Sparrow. The differences between a metallic robot and a feathery sparrow show friendships can happen between any two individuals. VERDICT A sweet additional purchase for friendship storytimes.Ã¢â ¬â •Tanya Boudreau, Cold Lake Public Library, Alta., Canada

Ã¢â ¬Å“ParkerÃ¢â ¬â„¢s gorgeous art captures the beauty of spring and the melancholy of winter, and heÃ¢â ¬â„¢s able to evoke a wealth of feeling in his miniature subjects . . . Readers might be reminded of CharlotteÃ¢â ¬â„¢s Web.Ã¢â ¬Â• Ã¢â ¬â ¢USA TodayÃ¢â ¬Å“Parker tells his story with humor and tenderness . . . Dreaming keeps memories alive for a very special robot in this sweet, quiet tale.Ã¢â ¬Â• Ã¢â ¬â ¢Kirkus Reviews, starred reviewÃ¢â ¬Å“Parker chronicles the relationship between quirky master and student with velvety textures and idyllic settings that make the incongruous robot even more adorable . . . The discussions this story will spark should prove as rewarding as the happiest of endings.Ã¢â ¬Â• Ã¢â ¬â ¢Publishers Weekly, starred reviewÃ¢â ¬Å“A gently thoughtful picture book that got me just a little choked up . . . Parker's illustrations are absolutely gorgeous, with a soft edge that echoes the story.Ã¢â ¬Â• Ã¢â ¬â ¢Books 4 Your Kids BlogÃ¢â ¬Å“A sweet, sweet story of friendship and dreams, and the powerful connection between the two . . . The spare but lovely narrative [is] made all the more sweet by Parker's adorable illustrations.Ã¢â ¬Â• Ã¢â ¬â ¢Happily Ever Elephants

This is a beautiful book. A quick read, but one that you'll want to come back to and reread again...not just for the sweet story, but also for the gorgeous illustrations. Jake Parker is one of my favorite artists and now authors. Not just for kids but all those young at heart; it will bring a smile to your face and likely, a tear or two to your eye. Most definitely recommended.

This is such an incredibly sweet book. The illustrations are beautiful and completely endearing as well as beautifully rendered. The story is sweet and heartwarming/ I would 100% recommend this book to everyone. My kids love it, and I love reading it to them.

This is a beautiful book with a humorous and touching story about a robot who befriends a curious little bird. They learn about their similarities and differences, and it actually has kind of a bittersweet ending that teaches kids how to handle goodbyes. The illustrations are gorgeous enough to spend quite a bit of time devouring. I bought a copy for some of my nephews & niece; I hope they have as much fun reading it as I did.

Fantastic art and great story. A must read for families or fans of Jake Parker.

Jake Parker is not only an amazingly talented illustrator and now story writer. But he is also very

generous with his time and desire to help other aspiring illustrators to get better at their craft. This story was wonderful and all of the back story images he has been posting to his social media accounts about Little Bot make this book even more charming. Big fan of Little Bot and Sparrow! Congrats Jake!

Prompt delivery. Product as described.

Nice illustrations! Cute book!

This is a different style for Jake Oarker and I love it. Very charming simple story. Beautiful illustrations, particularly the sparrow. Be sure to check out the cover illustrations (hiding under the dustcover) they're gorgeous!
