Customer Reviews

This book is awesome and funny. I felt like I was in the book.

The reason I only gave the book four stars is it could use a bit more details. Other than that this book was great it told me a lot about Minecraft.

This book is a book about Greg turning into Steve in minecraft he gets freaked out and has good luck. The only thing that was not my favorite was when they left you hanging so you have to get another book.

This book is about a kid who gets sucked in to minecraft. He is a noob at minecraft but progressively learns more about the game.
