The Complete Encyclopedia To GI Joe (Complete Encyclopedia To G. I. Joe)

Synopsis

An invaluable resource for veteran or novice GI Joe collectors! This updated and expanded edition chronicles the creation of GI Joe action figures, features a complete listing of all figures and accessories released through five decades, contains interviews with Hasbro's design team members, and includes an updated price guide. New collector-friendly format makes it easy for collectors of each GI Joe version to learn the history of their favorite figures and determine exactly when figures and accessories were released. The updated price guide is a complete chronological listing of all figure, vehicle, uniform, and equipment sets released from 1964-2000 and includes item numbers for easy identification. - Lists every GI Joe figure and accessory from 1964 through 2000 - Complete history of GI Joe's creation with interviews of Hasbro design team members - NEW format separates all GI Joe figures and accessories by decade - Updated price guide

Customer Reviews

This book shows lots of GI Joes. It is a large book with many pages. It is 8-1/2 x 11" in size. Most of the photos in this book are black and white. There is a color insert of about a dozen pages. I haven't read through it yet, though I did give it a quick perusal and it does look as if it covers a great deal of GI Joes from 1964 and up to the early 2000. Overall, I'd say it is a worthwhile purchase, as long as you remember that it isn't all inclusive and to find out all you need to know you'd probably need a few of these books. This is just one of five in this group I have purchased and will review as I receive them. I already reviewed the Warman's G.I. Joe Field Guide: Values and Identification

(Warman's Field Guide) as also not being inclusive of all the GI Joes. (See separate review).

Great book!

I had the previous volume and liked it. The updated interviews were a good addition. I'm aware of the flaws and recreation of prototypes, etc. Not a bad guide for all that.

Very nice product. I strongly recommend it and you will love it too. I am very happy with it because its very good.

great resource for on line selling.

Great!

Interesting to a point, but not what I was looking for. I wanted more about the storyline, not the product line. But for collectors of the actual toys, this is a perfect fit.

wonderful gift
