Recommend this product

Not a substitute for hands-on instruction, but the next best thing. Wonderful visuals and text. As a returning cosmetologist with over 20 yrs past experience, it is superfluous, but to a new student, I would highly recommend it!

Purchased this as a gift for a friend. They say they like the product. With that I am thinking that it was a great purchase...it arrived in a timely manner and was instrumental in helping them finish school.

great price
