## Synopsis

A heart-stopping story of lies, brutality and fear. British girl Megan Stephens tells the true story of how an idyllic Mediterranean holiday turned into an unimaginable nightmare when she was tricked into becoming a victim of human trafficking and held captive for six years by deception, threats and violence. While on holiday with her mother at a popular Mediterranean coastal resort, Megan fell in love. Just 14 years old, naïve and vulnerable, she had no reason to suspect that the man who said he loved her would commit the ultimate betrayal of her trust. When her mother returned to England, Megan stayed with Jak, who said he would find her a job as a waitress and promised they would be together forever. But when Megan travelled to the city with Jak, his attitude quickly changed and instead of finding her work as a waitress, he allowed her to be raped and then sold her to a human trafficker. Abandoned by Jak but still unable to accept that everything he'd told her had been a lie, Megan was coerced by threats and violence into working as a prostitute in private homes and brothels. Then the trafficker threatened her mother's life and it was Megan's turn to lie: sending her mother the staged photographs that had been taken of her apparently working as a waitress in a cafe, she told her she was happy. Too frightened and bewildered to trust or reach out to anyone, Megan remained locked in a world of brutality and abuse for six years. In the end, there only seemed to be one way out. Megan's powerful story reveals the devastating realities of human trafficking and the fear that imprisons its victims more effectively than any cage could ever do.

## Customer Reviews

I was engulfed in this book writhing the first 10 pages.I admire Megans' strength and courage in telling her story and bringing awareness to many that young girls (and boys) are at risk to be taken advantage of in unthinkable ways.The only thing I didn't like was I had to wait for book 2 then book 3 to download to continue reading. I would have paid to buy 2&3 together if that were an option.

No confidence, no value of self,no will of her own. Megan's sense of herself spirals to zero.

Sometimes having sex with over 100 men per night at a roach infected brothel, Megan finally realizes her pimp boyfriend doesn't love her. Her dreams of happily ever after die as she realizes he sold her to another pimp. Still she manages to help another inductee.

After reading the first part of this series I couldn't stop thinking about it and had to get the next installment. This heartbreaking account of this young girl's life is beyond horrific. The human trafficking for the sex slave industry has far reaching consequences. The author describes how quickly she became the shell of who she once was. A page turner for sure, you'll feel as if you'd love to just reach through the pages and rescue this child.

Great book wrote poorly

Hello my name is Hannah Carson and I love your books,But did this happen to you or another girl that you knew or know now?Just asking.Well that's all!See ya soon.(Hopefully.)

Very sad story and this part 2 picked up right where part 1 left off. This story is hard to read but well worth pushing through. This brave lady not only got through this very bad time in her life but is now warning others to beware of the dangers that are out there

I enjoyed the 2 books I read but I didn't get the 3rd I would have preferred all of them in 1 book instead of short books.

Very Awesome read, keep attention and hard to put down! Thanks for sharing your story
