Social Security, Medicare & Government Pensions: Get The Most Out Of Your Retirement & Medical Benefits

Synopsis

Your complete guide to Social Security retirement and medical benefits. Everyone wants the highest possible retirement and pension income, not to mention the best medical coverage. Find out what you're entitled to with Social Security, Medicare & Government Pensions. Completely updated for 2015. Social Security benefits. Figure out how to get retirement, disability, dependents and survivors benefits, and Supplemental Security Income (SSI). Decide whether it's best to claim benefits early, at full retirement age, or not until you turn 70 and how to time your claims so you and your spouse get the best benefits. Medicare & Medicaid. Learn how to qualify for and enroll in both programs, including Medicare Part D drug coverage. Medigap insurance & Medicare Advantage plans. Understand what new Medigap policies are available (and old ones that aren't), compare Medigap and Medicare Advantage plans, and choose what's best for you. Government pensions & veterans benefits. Discover when and how to claim the benefits you have earned. Whether you're looking for yourself or helping a parent, you'll find valuable information here, including how to file many essential forms online.

Customer Reviews

"Guide[s] you through the maze of Social Security and Medicare in simple

English. The Wall Street Journal "The inside scoop on how to get the most

out of the current system. Accounting Today
“Written with clear, complete explanations that will explain how benefits can actually be claimed and more.”
Senior Times

This book helps baby boomers navigate the Medicare and Social Security systems, maximize benefits, and appeal denials of services and benefits. It covers Social Security disability, veterans disability compensation, and federal retirement benefits, as well as SSI, Medicaid, and veterans pensions for low-income recipients.

Superior source of current information, esp. for those who are in the process of comprehending the intricate workings of the vast Medicare program structure. Impressive scope of well-organized, user-friendly, and appropriately detailed explanations. A big help for me!

It is very dry information but it is also good information.

This is a great book for all experience levels. A must read if you care about any of these subjects.

Very comprehensive, yet still readable. Good source book for professionals. Would recommend to others if they work in the field to advise others.

Nolo always provides easy to understand and comprehensive publications and this one is no exception. In my accounting practice my clients are asking more questions about social security and Nolo provides the answers with this book. I highly recommend it to anyone who wants to understand the nuances of the social security laws.

Good info

Excellent

Very useful for what I needed.
