Live Illuminati: Sell Your Soul With Black Magick Spells

Synopsis

Occult writers and conspiracy theorists both agree that a special relationship exists between Lucifer and the Illuminati. However, no book has ever been written that sufficiently explains how Lucifer is the celestial gatekeeper of the Illuminati Portal used in the rituals of the Elite to establish contact with aliens more commonly known as Watchers. Only Doktor Lucifer is brave enough to reveal the dark secrets of success. Doktor Lucifer sold his soul to Satan in a blood contract to function in the New Age of Illuminatiam as the most powerful black magick spell caster. Doktor Lucifer speaks with authority. He reveals everything that was purposefully left out of Illuminatiam: The First Testament of the Illuminati, but this information is not for everybody. If you are actively seeking the Light emanating from of the Illuminati Portal, Doktor Luciferâ™s book is a must read. The book compliments his new music single released on iTunes under the same title. In Live Illuminati: Sell Your Soul with Black Magick Spells, the worldâ™s most powerful black magick spellcaster sheds light on the secret of how to follow the Light of the Illuminati Portal, and walk in the footsteps of the most powerful people on the planet.

Customer Reviews

I have been interested in the Illuminati for several years now and try to learn as much about this subject as possible. When I came across this book I thought "\$6.66? As in 666? As in the Devil? If nothing else, this Doktor Lucifer is good with marketing". The title and price captured my interest so I decided to purchase. Most of the books on the Illuminati I read have been very gimmicky. They spoke about Hollywood and the music industry big-wigs being part of the Illuminati. Page after page about how powerful the Illuminati are, but never indicating how to join the Illuminati or even how they came into existence. It was all very ambiguous. Most of those books had so many typos that I thought "Literacy must not be a criteria to join the Illuminati". "Live Illuminati: Sell Your Soul with Black Magick Spells" is unlike any book on the Illuminati that I have ever read. It did address Hollywood and the music industry, but more importantly, it gave the background of the Illuminati. It gave citations from historians regarding the Devil. The past was thoroughly interwoven with the present. It gives you a framework for actually joining the Illuminati (I would hope a criteria would be knowing the history of the organization". The book was well-written with a smooth flow. The content was clear and cited numerous references. This book will not appeal to everyone as it does not sugar coat the reality of the topic. I have always been on the fence even after years of reading on the topic. This book has given me a lot to think about. If I do decide to go in that direction, I can certainly use this as a step-by-step guidebook.
