Book by Nystrom

Needed for school as school does not provide individual books to students. It is so helpful.

This atlas is easy to use and is the same as the school uses in the classroom. Up to date and easy to find what you are looking for.

Arrived in a timely fashion & was as described. Thank you

A+++++

This was an item on my daughter's school supply list. I wondered what was the difference between it and a regular atlas?? It is complete, consise and very easy to understand. Very happy with this and the price!!!

Was in great condition!

Delivered fast and my daughter uses for school.

Needed this atlas for my 6th grader. It was recommended by her teacher. It was in perfect shape, and she uses it often.
