Illustrated Bible Stories: An Adult Coloring Book Of 106 Antique Etchings

Synopsis

Stories from the Bible Come to Life as You Color Antique Etchings Bible stories focus our attention on the love, faithfulness, and power of God. Coloring relieves stress and causes us to slow down. Take a break from the daily worries of life and remember what God has done while adding layers of color to these superb pieces of art. Each page is suitable for framing with or without color. The pages are blank on the back. Colored pencils are recommended. But, if you choose to color with markers or gel pens, simply insert extra paper to prevent colors bleeding through onto the next illustration. These amazing Bible stories are beautifully illustrated in over 100 etchings from the antique book Treasures of the Bible by Henry Davenport Northrop, D.D. published by the International Publishing Company in 1894.

Customer Reviews

As a beginning adult "colorist", I have been pretty disappointed with most of the "adult" selections out there - I do not have any desire to color in nonsense swirls and repetitive patterns for hours. My preference is for "story-picture" clothing fashions, hair styles, and various environmental settings, and this will provide many selections to choose from! While the pictures are dark in many areas - wish they would have been a bit larger than the standard 8.5/11 page - having so many scenes from Christianity is absolutely wonderful! I am VERY happy I have this book!

Really beautiful sketches that stand up to colored pencils and watercolor. Great for high school

students and adults in a bible study.

Nice Picture itchings. However, depending on what you use for coloring this may not work. I use Prismacolor pencils and blender. If you do this type of drawing you will need to be aware that the ink on the pages smears, leaves dark areas. Very frustrating. Look at the neck of the man...it is darkened by smearing of picture ink when trying to color with a peach color. Is not fixable. Other areas If you darken can hide the smearing areas. First picture shows lines they have on neck, 2nd is when I tried to add color.

The photos/drawings were very dark, and printing quality is poor. The pages are slightly too detailed to fill in with color.

To beautiful to color. The black and white sketches are really wonderful to look at.

Was hoping there were a variety of artist pictures, but still nice.

Excellent
