Hi! I m Rachel, a mom of 4 young children. At 33 years old I began sharing my simple recipes & REAL food ideas with the world via social media. The response has surpassed my wildest dreams! I know REAL food can be SIMPLE, and delicious. Health through nutrition should be attainable to ALL. Wishing you health, comfort, & happiness this Season! Love, Rachel

Great cookbook! The ingredients are what I would normally have in my pantry, the pictures are in color and the recipes are easy and delicious!

This cookbook is full of easy, healthy recipes! Even my husband will eat most of the recipes I have tried, and he is very much a "meat and potatoes only" kind of guy. There are a few typos in the book, and the printing looks "off" on a few pages, but for such a low price, I am willing to overlook it! You can order e-books from her website, but I wanted a hard copy book.

Love this book!
