This is a book that covers the basics of what chakras are and why it is important to keep them unblocked for us to lead a vibrant life. The book starts by explaining the various chakras, their significance and what makes them so important. It then offers some affirmations to keep the chakras cleared of any blockages. Nice introductory level book on chakras for those who are new to the concept of chakras and the significance of keeping them clear.

Extremely small venture into the 7 Chakras.

I felt like this is a very basic overview of the chakras.

LePage does a great job of explaining for the less enlightened like myself, what the seven chakras are and how they effect our wellbeing. The exercises used to balance and stimulate the 7 chakras was really quite easy to do and were effective in my opinion. After reading this guide on chakras I am definitely on a path to finding myself physically emotionally and mentally on a better level.

I buy and read a lot of books on chakras. It's a subject that has fascinated me for years. The 7 Chakras: A Guide to Understanding Your 7 Chakra Spiritual Power Centers, and How to Open, Balance, and Heal Them by Simone LePage, is well done and offers a clear introduction to the topic and is nicely presented. Recommended. Five stars.
