## Customer Reviews

There are several selections in this book that I know I will use. The arrangements are interesting and fresh. For the one reviewer who complained that the music for "Greensleeves" isn't in the book, that is wrong: it is -- "What Child is This" is set to the tune of "Greensleeves", and it is included in the book.

Love the work of Jim Brickman! The arrangements are of an intermediate level, so playable by most. Good for intermediate students or just to add some lovely sounds to your holiday festivities.

**\*\*Greensleeves is NOT included in this book.** I purchased the book specifically to get the music to Greensleeves and was disappointed when I received the book and it was not included. I'm not sure why it is listed in the titles on . The book itself is great, just be aware if you wanted that title!

Jim Brickman, piano music and Christmas. Some of my favorite things!

Beautiful arrangements that are perfect for performing at small gatherings or large!

Do You Hear What I Hear is perfect.

Excellant condition!

Just what I expected. Thank you. Tom
