Roger Welsch can best be described as a cross between Erma Bombeck and Dr. Ruth, except male and living in Nebraska with his wife and dogs. Before turning his talents to canine psychology, Roger was best known as the fat guy in overalls on CBS's Sunday Morning, where he offered up essays on rural and small-town life on the plains.

Book arrived earlier than expected & is in great shape. Roger Welsch is one of our favorite authors so we're looking forward to reading this book.

Was hilarious in the first several chapters but later was not what I considered relevant to the subject.

Good fun! Prompt shipping!

I ordered this book hoping there would be pictures of old outhouses, was disappointed, it is stories and no pictures. Would have returned it but not worth the effort as I got it on warehouse deals for not to much.

Another masterpiece by Roger WelschBrilliant, funny, he's a true rural philosopher, makes me want to go andbuild an outhouse.
