Punished By The Viscount: Historical BDSM Erotica

Synopsis

Lord Ruthven, the Viscount of Heartbriar, is a wicked rogue with unique tastes. When Miss Catherine Harris agrees to marry the Viscount sight unseen, she gets much more than she bargained for. Catherine is everything Lord Ruthven has been looking for in a wife: she's beautiful, a maiden, and very submissive. Before they marry, Lord Ruthven makes his intentions clear. If Catherine stays with him, she will live out her life as his willing plaything. He will control her every action. The mere thought of Ruthven's dominance sends jolts of pleasure through Catherine's body, but will she truly be able to give herself over to the Viscount for the rest of her days? There's only one way for her to find out. This story contains many scenes of spanking, corset play, edging, and other forms of BDSM.

Customer Reviews

A short story that will make a dominant feel submissive. Great read with a morbid plot. A twisted turn on that will have you begging for more.
