Customer Reviews

"Crammed to the brim with whimsical line drawings depicting the subjects' hobbies, romantic partners, favorite articles of clothing, vices, and more, each page explodes with creative and intriguing details. Hancock has captured the essence of his subjects with these snarky and humorous mini-biographies. Browsers will be in for a treat, and more artistic readers may even be inspired to create their own portraits of celebrities or friends." - School Library Journal

"In Artists, Writers, Thinkers, Dreamers: Portraits of Fifty Famous Folks & All Their Weird Stuff, artist James Gulliver Hancock illustrates historical icons in a fun, infographic style - surrounded by their possessions, baggage, favorite locations and personality quirks. You're guaranteed to come away with new facts to cover any lull in cocktail party conversation - Abraham Lincoln started Thanksgiving? Albert Einstein hated Scrabble and didn't believe in marriage? Take that awkward

party silences!' - Design*Sponge

James Gulliver Hancock is an artist and illustrator based in Brooklyn, New York, and Sydney, Australia.

This is a great book to use with students because they can use it to model their own writings. I am thinking of having them imitate this style for their own "biographies."

Graphic novels and sketching is becoming more popular among my elementary age students. They love it!

Love it! I used it with my 7th graders to introduce biographies. They used the art for inspiration, and they created their own pages.

This small book of big concepts makes history palatable, digestible and enjoyable. Posters made portable through the inclusion of known achievements and lesser known quirks it reminds us that the famous are human, just like anyone

You can barely see anything in the kindle version. It's too small. Please update it

Fabulous Book! Perfect for ALL ages... Sparks curiosity and answers questions of a wide arrange of leaders, personalities and important Historical icons, mainly w illustrations-- not a boring book!

Interesting collection of famous folks. Some not appropriate for my 5th graders. Engaging illustrations and fun facts.

Fun for all ages. I got it for our 6 year old. Great illustrations.
