Aaron Smith is a husband and father who has always had a passion for sharing the gospel with the world. After getting married in 2007 to Jennifer Smith (*Unveiled Wife*), he and his wife became missionaries in Africa. Throughout the first four and a half years of marriage he and his wife experienced many struggles but found restoration through the grace of God, and out of those trials was birthed an on-line marriage ministry (HusbandRevolution.com). His heart now is directed towards encouraging husbands in their walks with Christ and their marriage. His hope is to see a revival in the hearts of husbands around the world. He believes that if husbands would humble themselves and turn toward God that marriages would be saved and the message of Christ would be advanced greater than ever before.

This book along with the *Wife after God* has been a blessing to both my husband and I. We used it every day along with our daily devotional and we both saw how God used it to show us what we needed to change in our marriage.

My husband and I both completed this challenge and saw such a tremendous change in our communication and understanding of one another. I highly recommend this book to anyone who needs a refresher and that extra inspiration to keep going strong in marriage.

This is our GO TO wedding gift! It is also our Christmas gift to all of our siblings and closed friends! Must read and re read and reread until you're living your life according to the scriptures!

Excellent book to make any marriage better. Cannot express how much it has impacted my marriage and life.

Plain and simple. You read this one along with your wife as she reads the one for wives you can't help but be blessed! This will encourage and challenge you. Some of the topics I've heard before but they are presented with fresh perspective.

great book along with 'wife after God'

My husband and I loved these books so much that her ordered a few sets to give to our friends! So good!

I purchased this for my husband because he noticed I was studying my "Wife After God" book, he mentioned this would be a good "stocking suffer" for him so I bought it and he is enjoying it.
