Buy this every year. Useful for making a better decision. The Moon has a 'lot of power'.

Fine

I buy this book every year, and thoroughly enjoy it. It is interesting, it's fun, but most importantly, I've found it to be accurate. Many people follow their horoscope, based on their sun sign, and pay little attention to the other signs and planets. If you're one of those people, this book will probably change the way you think.
