Student Workbook For Practice Management For The Dental Team, 7e

Synopsis

Get more practice with essential dental office skills! Corresponding to the chapters in Practice Management for the Dental Team, 7th Edition, by Betty Ladley Finkbeiner, CDA Emeritus, BS, MS, and Charles Allan Finkbeiner, BS, MS, this workbook includes an EagleSoft practice management CD-ROM. Interactive exercises help you gain realistic office experience, from learning the technology to managing patient information to completing financial procedures. The workbook also includes summaries of textbook content, learning objectives, practice questions, critical thinking exercises, and online assignments. With these valuable resources, you'll learn to perform all dental office functions! The full EagleSoft practice management CD includes exercises for relevant chapters in the book, adding opportunities for realistic office experience. Practice questions, critical thinking exercises and Internet assignments help you prepare for your first job. Learning objectives and summaries of content from the textbook help you comprehend and retain key information.

Customer Reviews

My school was charging \$90 for this book! I'm so thankful that it was available on . No issues with the program work at all.

Great book met my expectations followed the class curriculum as hoped, not too complex very good, and recieved it in less than two full days with prime for students, I recommend it!

This was for my daughter and she needed it quick. She is now done with her college and it was a

great purchase.

the content seems to be mostly common sense. I cant believe it was a required text.

It was the right books and in good condition

Very good. Better then what they said.

Very helpful in class

Great quality
