Customer Reviews

We did not use this map on the actual trip. Rather, we relied on the tourist map that you can get at your hotel or tourist info center. This map covers too much area which makes the scale too small and thus not usefull for local roads and streets

Not too detailed, not to silplistic, just rights.

Nice big map with good detail. Street names all there. while not laminated, the paper is of a normal weight, not really thin or anything.

What can you say, I liked the author's perspective. It is good quality and once I get to the Tampa area and begin driving around. I will be able to judge the accuracy
