Puppy Training: The Complete Guide To Housebreak Your Puppy In Just 7 Days: Puppy Training, Dog Training, Puppy House Breaking, Puppy Housetraining, House ... Training, Puppy Training Guide, Dog Tricks)

Synopsis

You've just adopted your new puppy but you're not sure what to do. You're struggling to train them. You're having problems with Toilet training, Barking and them just not following commands? Right? Keep reading, you've found the right book. Puppy training can be the best experience of your life or a nightmare, it is really your choice to decide. You're probably thinking you can browse some YouTube videos and get the answers, but that will only go so far. To train your puppy quickly and in the right way you need a guide from A to Z. Imagine having a puppy who sits on command, goes in their crate with joy, doesn't howl through the night, Pees and poops in the spot you want them too. Sounds like something in the far distance? Well actually this can all be achieved and more in just 7 days, yes you heard it right! My methods are tried and tested with hundreds of dogs, you will be amazed at the results you achieve, and be wondering if you can become a dog trainer. You will be standing proud and a 100 feet tall, you will feel amazing! You no longer have to feel nervous about bringing your new puppy into your home as you will know exactly what you need to do every day of the first 7 days. Don't waste your time with hours of internet searching when the information is presented in an easy, straight forward guide right here. I want you to feel a bit more comfortable, and know exactly what you will be buying into, here is exactly what you will be learning every day: Day 1: Setting Your Puppy's Routine Day 2: House Breaking A Puppy - A Few Don'ts, And How To Avoid Them Day 3: Poop Patrol- Identifying Your Dog's Poop Signals Day 4: Choosing The Right Training Method For Your Puppy Day 5: Condition Your Puppy - The Magic Of Positive Reinforcement Day 6: Using the Startle, But Never Scare Method Day 7: Practice All That You Have Learned These are things you will need to be successful. Puppy Training is only the start of a Beautiful Relationship Between You and Your Puppy! I have Two Questions For You. Do you want to housebreak your puppy in just 7 days? Do you want to find a way to make the training Easy and Fun? If you answered yes, you need to do two things: Scroll to the top of this page **CLICK BUY NOW!**

Customer Reviews

A lot of great information but someone should have proof read before sending to print. When I gave the book to my teens to read they were focused on all of the typos and spelling errors. Critiques from my teens: "How can we trust you can train a puppy If you can't use simple editing resources?"

I've had some problems with a new pup, so have read several different guides. This one seems to be a gentler way.

Didn't tell me anything I don't know. I found Doggy Dan to be way more helpful and there are videos and podcasts and tons of support for any issues you may run into with your puppy.

Informative but does not go into details.

Pretty good book but somewhat over simplified. We did manage to house train our puppy with the aid of this book and other info we go from the internet.

This didn't seem help with my dog.

Great advice with that is also a quick and easy read

Great book for the new puppy owner.
