Great before bedtime prayer book. Gave to my daughter for baptism gift. I paid around \$5 ... beautiful illustrations and good quality board book.

I have been looking for ways to answer my 7-year-old granddaughter's recent questions about God and prayer. Since she is 600 miles away from me it is difficult to have a satisfying conversation by phone. This book is the perfect one for me to send to her as it is about a child who is praying and what she says. It is a great example for her to follow and hopefully will become a discussion starter for us. I highly recommend this book. I wish there were more like it!

a classic for every child and parent whether strong religious feelings or not, it shows great family

values and excellent vintage illustrations

Beautifully illustrated classic child's prayer book. This is one of the books used in Jane Claire Lamberts book BEFORE FIVE IN A ROW, a wonderful book full of ideas to help a 2-4 year old children learn the love of reading. Although PRAYER FOR A CHILD is one continuous prayer, it can be used in small pieces for younger children. Eventually, this would be a good prayer for children to memorize, much like The Lord's Prayer.

Love this book. I'm yet to read it with little man.

Simple and clear book. We are reading this book as part of our homeschool preschool program. (Before five in a row) We love the simplicity of it and the depth at the same time. These blessings are relevant for young kids and it shows them that God truly cares about everything in our lives!

Read this book countless times to our kids when they were little. My husband mentioned that he wished he knew where it is.....so I bought him another one. Reminds me of Matthew 18:3: "Truly I tell you, unless you turn and become like children, you will never enter the kingdom of heaven."

Timeless! I was given this book as a child and it was the prayer I said all my life. And my children and grandchildren say the same prayer. But the book was worn after passing through many generations. So this brand new book is for my youngest grandchild and I'm hoping it will be used for many generations to come. The book was as lovely as I remembered
