Very handy compact guide to take along with you to Amsterdam. Used it every day as we navigated the city. Lonely planet does a great job with all their travel guides, and I have become a real fan of these Pocket travel books.

Great tourist book. It fits in my pocket and has tons of great suggestions. I don't go anywhere without it.

Gives most of pertinent info that larger version does. Excellent source in convenient size.

Good info, with easy instructions. Direct and to the point! Invaluable!

As always, really helpful!

Very helpful nice little map too. Its all I needed.

Can't wait for our vacation. So easy to use and understand and find things. Love the way this book is put together.

A pretty good travel guide. My travel plans changed but could see a lot of potential destinations.
