Customer Reviews

Disappointing...I bought this on the spur of the moment for my Kindle to read with my 3 1/2 year old granddaughter I was hoping for some illustrations (which were similar to the design on the cover) to be able to discuss with her, but did not find what I expected. The flow of the text was rather limited and mundane. For me, it felt trendy, uninspired and less than engaging.

Difficult to followPoorly written

My 2-year-old loves this book! The pictures are so cute and the story is just the cutest dialogue ever. Really worthwhile to get this book for your little one!

It's just weird that the boys think the girl's can't do sports & think it's just fun to bully girl's. Not cool! ! ! ! ! ! ! ! ! !

GREAT

dumb and go nowhere

Did not like it very much. That's why I chose a three. I think it stole from the little mermaid

No pictures. Just a few cheap paper pages with single spaced typing.
