"Stick 'em up" reading fun with Arthur and his friends! Marc Brown's funny story is easy to read and comes with peel-off picture stickers galore. Here is an exciting new way to help beginners get in step

with reading and at the same time try their hand at creative writing.

This was a good children's book about fire drills and fire safety; presented in a non-scary, fun way, with all of the Arthur and D.W. antics you'd expect from watching the TV show.

Great story for FSW. Kids love Arthur so it's fun to have a story focus on DW

Teaches the importance of fire drills that could save lives.

It was easy to comprehend for kids who are learning about fire safety for the first time. I recommend this book to 5 and older

the children in my class room really enjoyed this story, and it helped the children that are scared a great way to open large group activity for discussion on fire drills

Good

Great learning tool for new readers. My triplets enjoyed this Arthur book and compared it to the fire drill they have in school.
