Customer Reviews

This book is AWESOME!! (I took that from the Miz) When you wrote about Prince Steve being like "a demon in angel flesh", I couldn't see what it would look like in my mind. And that's a good thing. I want another book to tell about what happened when Hiroko turned 25. That would be AWESOME!

This book's writing was great and it turned the evil hero brine to the good hero brine that's hard cause in the real minecraft world hero brine is bad

Crafty Nicole make more of these books, pleaseAnybody out there that likes minecraft read this bookIT IS AWESOME

It's better then #1! But I think what happens to Hiroko is sad! And do Tom's parents get better?

Other than those few flaws, I LOVE the book!

This is SUPER EPIC. You are joining an adventure with a HEROBRINE'S SON THAT IS A HERO. WHILE STEVE IS EVIL. Yeah evilness. It's like, they switched evil and good. (Warning: You don't like a long comment? Then don't read) Steve to me, looks so weak. I mean, I'm using a Rival Rebels mod, that includes undefeatable mechs (Cannot be killed by bows or potions or swords), Deadly nukes, Bedrock breaking weapons and awesomeness and nuke launchers. Download Rival Rebels in the blogspot! I thought I could kill Steve with the nuke launchers and mechs. I thought, "So yeah, Steve needs mods to deal some damage to my mechs." I'm totally right or wrong. Tell me in your comments. You need to read this book. It has more action, more problems, and 100% awesomeness. More emojis, And 55% cold and hot. And 100% WICKED SICK! And 98 % GODLIKE AND 100% OVERKILL! Cube Kid fans, you should read Crafty Nichole's books when you're waiting for Cube Kid's books. Crafty Nichole CN. Cube Kid, CK. Looks like nice names. Now I will speak different language.

Nichole. I shall tell you where I live. I live in the hole of the code or the 'Flaw Island' Yes that is
where I live. In there you shall seek many flaws and see a pyramid. In the walls there is a button,

and when you push it, You shall meet me. Good luck. LOL JK HHAHAHA Anyways for the real review, This book is awesome and I cant wait for angry alex 8! This book is actually a new book and I dont think there is a book like this before right? I mean we are talking about herobrine being good and steve being evil! I like this books perspective and I think its very creative.

In my opinion I would've given book one 6 stars but this was slightly better!!! Also here's a book idea I wasn't able to reach you on email: diary of a strange ocelot! Olisa is a blue ocelot unlike the rest! She likes to explore human places. The others think she is very strange! On her 12th birthday she discovers she has special powers and is from the end! That's all I'm giving make up the rest! I hope this will become a book!

Ok so it was good but I have one problem what happened to will?!?!?!I really liked him and it didn't say what happened to him at all did he die was he in the Prince steve army I mean I don't know what happened to him I but other then that it was a good book
