Mystery Of The Missing Microchips (The Home School Detectives Book 2)

Synopsis

When Carlos and the others don't show up for ice cream, Julie, Josh and Emily start looking for them. Soon they find not only their friends' abandoned bicycles but also several expensive computer chips. When a strange man with a red beard shows up wanting to know everything about the chips, the mystery deepens. Join the Home School Detectives as they are swept into a high-stakes game of high tech crime. It's a case that is bigger than they could ever imagine!

Customer Reviews

Book was as described and it arrived promptly. Am very pleased with this purchase.

I love mysteries and I'm homeschooled so I like reading about kids my age solving mysteries, one day I hope to solve them myself

It's an exciting, well written, fast-paced adventure. It was surprising at every turn. --Jonathan
